

Issues in RCTs Involving Behavioral Interventions

NIH Symposium Series, Winter-Spring 2003

Registration Form

Participation is **restricted to NIH extramural and intramural employees**, with required advance registration for each symposium. Enrollment will be on a first-come, first-serve basis. Please enroll only for the symposia for which you are certain you can attend. We will let you know whether you are enrolled or are on the waiting list. *If you enroll and later learn that you cannot attend, please inform us so that we can offer your space to a colleague on the waiting list.*

Please complete this registration form. Use the tab key to move from field to field. The fields will expand as you type. While this form can be filled in on your computer, it does not automatically submit your information. You can save the form to your computer for printing and faxing or for e-mailing as an attachment. You must fax or e-mail it to:

Mr. Iain Mackenzie, Conference Manager, The Hill Group, imackenzie@thehillgroup.com
or fax 301-897-9587

Sign-language interpretation for the hearing-impaired will be provided. If you require reasonable **accommodations for disabilities** in order to participate, please describe the assistance needed here:
